CALL FOR ANNUAL MEETING, NEWSLETTER, UPDATE.

Fellow Members,

Once again the Annual Meeting at Memphis is fast approaching. The annual Dinner Meeting has been scheduled by President Hales for FRIDAY JUNE 20, 1986 AT THE RAMADA INN. The meeting will be a dinner meeting starting promptly at 6:30 PM. This is exactly the same place we met last year, except that the auction will not interfere this year. The auction will start as usual, but the first two hours have no direct connection to our material (so I'm told). Theoretically, there should also be no interference to our paper collector-dealer members. We will order from the menu and pay our own meal checks. The meeting proper will be as informal as usual and the agenda is open.

On Saturday at 2:00 PM, the FCCB will present a panel on Fractional at the convention center. The Panel members are M. Marchion, Doug Hales, Martin Gengerke and me. The Panel will be listed in the Memphis Paper Money Show Schedule and is open to non-members.

I will be passing out the CATALOG OF ENVELOPED POSTAGE to our members, collecting dues for 1986-87 year and hopefully finding some notes for my Fractional collection.

Len Glazer has again donated the plaque for the best Fractional Currency exhibit. Martin Delger has handled the judging rules and appointment of judges.

MOST IMPORTANT !!! THE NEXT BEP SOUVENIR CARD AT ANA WILL BE A FRACTIONAL CURRENCY CARD FEATURING WASHINGTON VIGNETTE OF THE SECOND ISSUE !!!!

John Wilson has arranged for a FCCB meeting at ANA on August 6 at room E-6 in the MECCA convention center at 9:00 AM. John has arranged for members Kevin Foley and Len Glazer to be present after his slide show to field floor questions.

John has also arranged for a PCDA/IBNS meeting on Saturday Nov. 15 at 10:00 AM at St. Louis at the Cervantes Convention Center. Further info on either the ANA or PCDA meetings can be obtained from John Wilson, PO BOX 27185, Milwaukee, Wisc. 53227.

NATIONAL BANK NOTE REPORTER is looking for articles on Fractional. Courteny Coffing is the editor and is looking for four articles. I have submitted two, how about you guys picking up on any two page double spaced typed article on some facet of collecting..

Membership List and Treasurers report attached. SEE YOU AT MEMPHIS!!!
